

# DARK SPARROW

Dark Sparrow is a teenager who lives with his grandmother. He loves his friends, snakes and nature but he hates his grand-mother's movies. But anyway, he is a teenager by day and by night he is a super hero!!!!

We call him the Dark Sparrow. He is dressed in blue, and he surfs on a flying board. He does not have super powers, he is like a spy, he can fight and climb, and he likes doing this with music. His worse enemy is Alarm.
