

ELECTROBOY

Electroboy is 11 years old. He can run, ride a bike, ski, climb, meditate and paraglide. He is a boy. He likes computers, cakes and music. The activities he likes are parkour, breakdance, hip hop, gaming and programming. He does not like correcting, reading, colouring and writing. He's good at colouring, science and legos. He's great at freestyle scooter, drawing, and painting. He's a disaster at colouring, writing and reading. He speaks Russian, English, Norwegian and French. His favourite book is « Chair de poule », he wishes to live with Arthur in Bordeaux and he loves inventing his own texts. His powers are that he can control thunder bolts, he can fly, teleport and he can send electrical laser beams. He has Infrared vision, he can throw rockets out of his hands and he has full control of his tiger.
