

SUPERCANCERBIANSWIMFLASH

Supercancerbianswimflash is a heroic superhero. She can swim as fast as a sailfish. She comes from a really special country like Serbia, her other superpower is that she's able to communicate with every Serbian on this planet. She is the guide of the Cancer or even the God of the Cancer people. The legend says that she was born under water and her mother was a sailfish. She can breathe under water whereas the other humans on this planet can't. She's only 13 years old but she is so beautiful and strong. This superhero fears nothing. She hates pink and money. Sadly every superhero has difficulties in French or even Science. Her biggest enemy is Mathvillain. She's good at cooking and sleeping. Everytime she's out there saving the world, she always takes her phone, her headphones and her speaker with her.
