

WATER WOMAN

Water Woman can run, meditate, ride a bike, ski and climb. Water Woman loves animals, sea, pancakes, riding a horse, drawing and traveling. She does not like broccoli, being alone, being late, doing nothing, badminton and cleaning her bedroom.

She's good at gymnastics, basketball and cooking. Water Woman is a bit better at annoying her brother and creative hobbies but she's a disaster at jokes, badminton and juggling.

She can speak French and English.

Water Woman is sociable and friendly and she loves her Mum's cakes.

She can write and blue is her favourite colour.

Water Woman loves preparing her breakfast and her picnic.

Water Woman can send water to her enemies, she can speak to fish and she's Aquaman's wife.
