

SLEEPYGIRL

My superhero is called Sleepygirl, she is 18 years old and she is a woman. She loves listening to Beyoncé music and eating food but she doesn't like French, maths and courgettes. She can run, ride a bike, ski, climb and meditate but the best thing about her is that she can make everybody fall asleep with her glove only. The activities that she likes are drawing, climbing and shopping but she doesn't like reading, rugby and working. She is good at drawing, walking and English but she's great at watching movies, smiling and sleeping. She is a disaster at maths, French and Norwegian. Sleepygirl has two older sisters, Leila and Aida. She takes the bus everyday to go to school and her least favourite subject is French. She doesn't like mayonnaise and her favourite singer is Beyoncé.
