

SUPER CAT

Hello! I am 10 years old and I was born on the 31st of October. I am a girl. I like skiing, climbing and ice skating. I also like chocolate, books and snow. I speak French, English and Norwegian. I don't like playing football, maths and playing handball. But I am great at drawing, swimming and ice skating. My sister is the Queen of the England. I don't like plums, dogs or soup and I am a disaster at playing football and cleaning my bedroom! I love playing LEGOS with my friends and apple is my favourite fruit! I also love rabbits and cats!

I can fly, I have a monkey, a crocodile, a lion and 10 000 brothers and sisters. I like potatoes but not vegetables! I climb every Monday. I can run, ride a bike, ski, climb and meditate but not paraglide. I have some super powers: I can climb on a very high building, I can run very fast and I can fly!!!

Yeah, it's me!
