

WOLF LEADER

His name is Wolf leader. He is a man who is 21 years old and who is very intelligent. He can run, horse ride, and he can even meditate. He can also play basketball with his wolves. In the winter, he plays hockey on the frozen lake and goes skiing in the snow.

He is good at music and making wooden instruments. He doesn't like maths or French. And he HATES climbing cliffs or playing games such as ultimate or rugby. He is excellent at Geography so he can go anywhere without getting lost. He is great at swimming because he goes in the cold lakes in the mountains every few days. He is excellent at speaking English. He also speaks Spanish, French, Latin and the wolf language. His super power is that he can speak to all wild animals and he is very strong and intelligent.
