

## Efiw Internet and computing Charter

**art. 1:** "I use an Efiw computer or tablet after obtaining permission from a teacher. I do not use my personal digital equipment (computer, smartphone, smartwatch, tablet...) without the permission of a teacher."

**art. 2:** "I use an Efiw computer or tablet in the presence of a teacher, during the course or « studying hours », and only to carry out school work."

**art. 3:** "I use an Efiw computer or tablet in a classroom (or outside a classroom at the request of a teacher, for example if I have a sound recording to make)."

**art.4:** "When a teacher makes digital material available to me, I do not modify any configuration of the device (wallpaper, language, keyboard, access code or password on an application or an Internet site)."

*Consequence of art. 1 to 4: "For example, I can not use a computer alone, during a break or an « studying hours », at the library or in the « foyer »."*

**art. 5:** "I am responsible for what I write and what I say, I use polite language, without blasphemy, without insults or mean words, and with the concern to make myself understood. I realize that what I write through the Internet (messaging, discussion forum, chat...) can be read by others for several years."

**art. 6:** "I do not give information about me or my family (phone number, address ..) about my tastes, when I use a messenger, a discussion board or a chat or a form of Internet site."

**art. 7:** "I alert a teacher / adult if I see Internet pages that disturb me and / or that are not suitable for my age."

**art. 8:** "I know that every time I go on the Internet, all the information of my navigation is kept and searchable."

**art. 9:** "I respect the law on the ownership of works. I copy and use texts, images, sounds after always having asked permission of the author and / or quoted my source."

*Note on art. 5 to 9: "These articles are mainly aimed at protecting Internet users, especially minors. They therefore constitute a course of action to be respected at the Efiw as elsewhere."*

**art. 10:** "In case of non-compliance with this charter, my parents will be informed. I am also exposed to sanctions such as being offered limited access to digital resources, or even the ban on using them. »
