

In my capsule...

**There is a reed and there are newspapers
where there is a picture of me.**

**There is my saxophone mouthpiece and
there are books with music.**

**There is a CD and a harness for my
saxophone then music scores.**

**There is a necklace and a picture of my
family.**

There is a drawing done by my father.

**I took these objects because they are very
useful and I enjoy them.**

**I like playing the saxophone. I like music
and I enjoy singing.**
